r Sir/Madam,

Wish you a warm and Happy New Year. It's our great pleasure to extend a warm and hearty invitation to you and the faculty members of your prestigious institution in the National Level Workshop on "*INTELLECTUAL PROPERTY RIGHTS*" to be held on 25TH January, 2020.

✦ *Pankaj Arts and Science College Chopda*

Pankaj Arts and Science College was established in Year 2000-2001 by Honorable Chairman of Pankaj Shikshanik and Samajik Sanstha Dr.Suresh Pandit Borole with the brief vision. Sanstha's main vision is to make avail stage to Aadiwasi Students for learning in the Higher Education System.

✦ *Conceptual Note:*

The present Workshop aims at making an in depth exploration and understanding of the concept of Intellectual Property Rights in Humanities, commerce and science. Research is a virtual spring of knowledge. In the *glocal* age, where global thinking and local action is expected, research has become vital issue. These days in every academic community the numbers of research programmes, researchers, and research institutes have been increasing day by day and for that every nation is deliberately providing maximum grants. The National Knowledge Commission in its report by tracing out the relevance of research and library services recommended trained human resources for the development all disciplines and all-round development of our nation unto this last.

Intellectual Property is every discipline requires a systematic work . Research is an investigation directed to the discovery of some facts by careful study of a subject. More clearly, research is a careful investigation or inquiry especially through search for need facts in any branch of knowledge. Therefore the *raisonde'tre* of such a Workshop does exist.

Objectives:

1. The main objective of IPR is to create public awareness about the benefits of Intellectual property among all sections of society.
2. To stimulate the creation and growth of intellectual property by undertaking relevant measures.
3. To have strong and effective laws with regard to IP rights, consistent with international obligations.
4. To Modernise and strengthen IP administration.
5. To Catalyse commercialization of IP rights.
6. To strengthen the enforcement and adjudicatory mechanisms for combating IP violations and to promote awareness and respect for IP rights.
7. Capacity development by strengthening and expanding human resources, institutions for training, research and skill building in IP.
